Assignment 1A:: MI Search

Work in teams of 2 and research the topic assigned to your team below for 20 minutes. Identify the following:

- What does the topic mean? Are there terms that need to be defined (e.g., what is chronic illness)?
- What are the key search terms for this topic?
- What are the seminal papers in the topic area?
- Who are the key researchers in the topic area?
- How did you find these answers?
- What did you learn in this search that was not covered in class? How can it help your fellow students?

Team A	Assistive Technologies for Cognitively Disabled
Team B	Assistive Technologies for the Chronically Ill
Team C	Assistive Technologies for the Well
Team D	Exercise Informatics
Team E	Performance Support Systems (Clinician Support Systems)
Team F	Medical Informatics Standards

Assignment 1B:: MI Share

Create a 5-minute presentation in a Google Doc (presentation or doc) that answers the questions from part 1A (listed below). Use text, pictures, quotations, etc. to explain your answers.

- What does the topic mean? Are there terms that need to be defined (e.g., what is chronic illness)?
- What are the key search terms for this topic?
- What are the seminal papers in the topic area?
- Who are the key researchers in the topic area?
- How did you find these answers?
- What did you learn in this search that was not covered in class? How can it help your fellow students?

Share the Google doc with katiesiek@gmail.com as a viewer. Choose who will give the presentation.

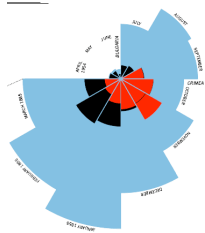

Helper Info:

How to Create a Google Doc:

- Go to <http://docs.google.com>
- Log in to google
- Click “New” on the top left
- Choose “Presentation” or “Document” from the drop down menu
- Begin typing in document
- Remember to save the document

How to Share a Google Doc:

- Click on the “Share” tab on the top right
- Under “Invite people” click on “as viewers” and type katiesiek@gmail.com into the text box
- Click on “Invite Collaborators”
- Click “Send Invitation” in the pop-up window
