

Research in Medical Informatics Practicum

Class 3

Agenda

- 3:00-3:10 Reference Organization
- 3:10-3:30 MI Search
- 3:30-3:50 MI Share

Where are we?

Help! The library does not have the journal/book/etc.!

- Get the complete reference
- Go to the Interlibrary Loan Site
<http://ucblibraries.colorado.edu/ill/expanding.htm>
- Wait 2 days - 8 weeks... (depends on request)
- E.g., Mobile Applications that Empower People to Monitor their Personal Health. Kay H. Connelly, Anne M. Faber, Yvonne Rogers, Katie A. Siek, and Tammy Toscos. In Springer e&i, 123(4):124, 2006.
ISSN: 0932-383X (gedruckte Version); ISSN: 1613-7620 (elektronische Version)
- <http://www.ove.at/medien/eui/aktuell.htm>
- <http://www.springer.com/west/home/springerwiennewyork/compute+r+science?SGWID=4-40631-70-1086776-0>

Great - I found the literature... now what?

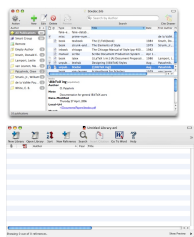

You can write a survey paper...

You can start a new project...

You can organize your references...

- LaTeX
 - BibTeX
 - Bib2html
 - BibDesk
- Word
 - EndNote
 - Bookends (Mac) - takes BibTeX & RIS
- Citeulike
- RefWorks
 - <http://ucblibraries.colorado.edu/how/refworks.htm>
- Endnote to BibTeX
 - <http://libraries.mil.edu/help/endnote/endnotelatexfaq.htm#3>
- BibTeX to Endnote
 - http://www.clib-jena.mpg.de/main/endnote/endnote_latex_en.htm?mp=18

Blurbs come in handy here

MI Search

- Teams of 2
- Topic assigned to teams
- Answer questions in assignment

CAETE:
Please complete this exercise on your own

MI Share

- 5 minute Google presentation based on findings from MI Search
- Be creative to get your message across

CAETE:

*Please share your google doc with answers to the questions to
katiesiek@gmail.com*

Group A: AT for Cognitively Disabled

Group B: AT for Chronically Ill

Group C: AT for
the Well

Group D: Exercise Informatics

Group E: Performance/Clinician
Support Systems

Group F: Medical Informatics
Standards

Looking forward

- Week 1: Grad Topic Selection
 - Topic Selection Due: August 31
 - Topic Assignment Out: September 1
- Week 2: Pervasive Healthcare
 - September 1 **NO CLASS – Labor Day**
 - Quiz: **September 3**
- Week 3: Assistive Technologies
- Week 4: Qualitative Field Methods
 - September 17 **NO CLASS – Field Exercises**
