The Hertz Foundation selects, supports, and mentors the brightest technical people in the nation, giving them all possible freedom to find their creative limits.

By further providing them opportunities to interact as a community, we help equip them to meet John Hertz’s challenge to serve the nation.

GRADUATE FELLOWSHIPS
For Innovators in the Applied Physical, Biological, and Engineering Sciences

JION A COMMUNITY OF INNOVATORS

WE ARE LOOKING FOR
• Exceptional creativity
• Broad understanding of physical principles
• Outstanding potential for innovative research
