Getting Started With REST
Overview

- Review of REST discussions
- How to start RESTing
- Some Existing Tools
Review of Discussions

- What tools are out there?
- What does the terminology mean?
- Tim Bray’s Blog
Has the Conversation

- REST Issues, Real and Imagined
  - Some interesting design suggestions

- REST Questions
  - Moving towards a middle ground?
  - Again, are there any tools?
Start RESTing

- **Web Monkey** from Wired
  - Good intro to rest
  - Examples of how to use REST
  - Not much on how to design a REST service
Start RESTing

- XML.com
- How to Create a REST Protocol
- More about how to design
- Asks the right questions
Existing Tools

- Ruby on Rails
- Active Resource
- Jersey
- Restlet
